

ASSESSMENTS

The *IMPACT* Online assessment engine is a robust, tech-enhanced tool that enables you to easily create, customize, and assign your own tests. Choose from a variety of question types, including those that align to Smarter Balanced assessment question types.

AVAILABLE ASSESSMENT TYPES:

There are many types of assessments available in *IMPACT* Online:

- Entry Tests
- Lesson Quizzes
- Traditional Chapter Tests
- Document-Based Chapter Tests

AVAILABLE TECH-ENHANCED QUESTIONS:

Choose from a variety of question types:

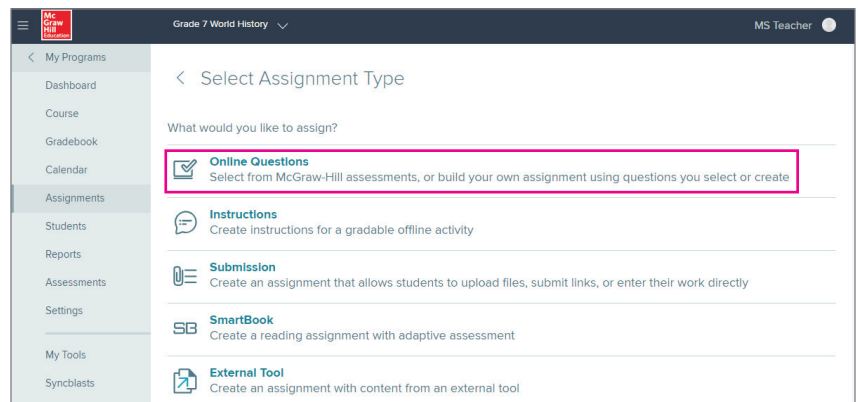

- Drag and drop
- Short response
- Evidence-based selected response
- Performance tasks
- Matching, and more

FIND AN ASSESSMENT

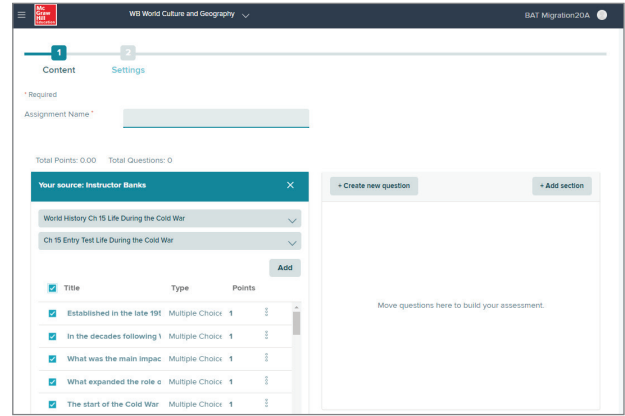

- From your course, go to the Main Menu , go to **Assessments**.
 - Scroll through list and select grade level/chapter.
 - Then click on the quiz or test you would like to assign for the chapter.
- You've successfully found pre-built assessments for that course and chapter!

EDIT AND ASSIGN AN ASSESSMENT

- Easily assign a pre-built test!
Go to **Assignments** in the Main Menu. Click **Add Assignment** and select the assign type “Online questions.”
- Select the test from the test library.
- After you have selected a quiz or test to assign, you have the ability to customize the assessment.

- Remove or add new questions, drag or drop questions into a different order, and change the point values.
 - Then, click on **Continue**.
 - Review the test settings, make any changes, then click **Assign**.
- You have edited and assigned a test in *IMPACT Online*!

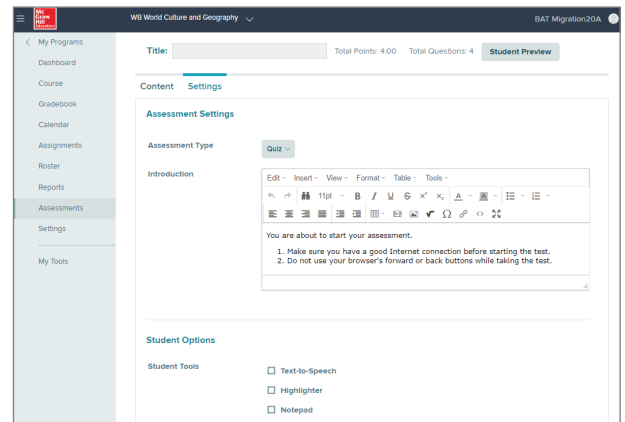

CREATE YOUR OWN TEST:

- Go to **Assessments** in the Main Menu, click on the + **New Assessment** button.
- Enter a title for your assessment.
- Click + **Add existing question** or + **Create new question** to write your new question. There are many question types to choose from! Click **Continue**.
- Make any additional edits to the test settings, then click **Save and Exit**.

You have created a test in *IMPACT Online*!

CUSTOMIZATION OPTIONS

- Rearrange questions
- Add your own questions
- Edit a question
- Add a question from the question bank
