ASSIGNMENTS

Approachable and easy-to-use, assignments provide a simple and convenient way for you to assign, complete, and grade assignments.
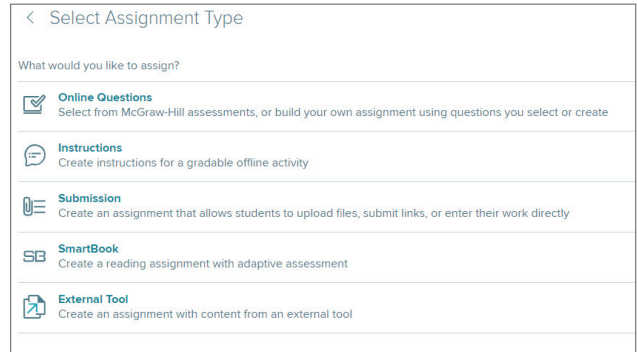

CREATE AN ASSIGNMENT:

There are two ways to create an assignment.

OPTION 1

Go to the Main Menu ≡ Mc Graw Hill Education, and go to **Assignments**. Click **Add Assignment**. Select what kind of assignment you would like to create, then follow the prompts to finish creating the assignment.

NOTE: This option works best for assigning your own PDFs and word documents.

> Select Assignment Type
>
> What would you like to assign?
>
> ☑ **Online Questions**
> Select from McGraw-Hill assessments, or build your own assignment using questions you select or create
>
> 💬 **Instructions**
> Create instructions for a gradable offline activity
>
> 📎 **Submission**
> Create an assignment that allows students to upload files, submit links, or enter their work directly
>
> SB **SmartBook**
> Create a reading assignment with adaptive assessment
>
> ↗ **External Tool**
> Create an assignment with content from an external tool

OPTION 2

- Go to the course Main Menu ≡ Mc Graw Hill Education, and go to **Course**. Click a chapter.

- From the chapter or lesson planning page, choose a learning resource to assign.

- Scroll down the page to note the variety of resources available to assign, including:

  > Chapter/lesson activities, projects, and worksheets (PDF/Word)
  > Chapter/lesson review activities (Interactive or PDF/Word)
  > Interactive Student Resources
  > Differentiation Resources

- From the Action Menu ⋮ of the resource, select **Assign**. Enter the assignment details and the students or groups you would like to assign it to.

☑ You've created an assignment!

HOW DO STUDENTS SUBMIT AN ASSIGNMENT?

- Log into *IMPACT* Online as a student in the class with an assignment.

  TIP: You can access student log-in information. Go to **Students** in the Main Menu. Click on the gear icon ⚙ for a specific student and select **Print Temporary Password**. The pop-up window will give you temporary credentials for that student's account.

- In the class, click on **Assignments** in the Main Menu ☰ 📕

- Click on the title of the assignment to begin, then submit as directed.

NOTE: Students should make sure they fully complete the assignment before they submit.

HOW ARE THE eBOOKS DIFFERENT?

PDF eBOOK

Found at the chapter and lesson level, this eBook mirrors the print layout with a 2-page spread.

Instructional Purpose:
- This is a static, electronic version of the print Student Edition
- Comprehensive and rigorous: Complete coverage of the standards and H-SS framework.
- Reference: Teachers can use for planning and students can use for reference
- Use it like a book: Answer questions in a different format (electronic or handwritten)

English (6–12) and Spanish (6–8)

INTERACTIVE eBOOK

Found at the chapter and lesson level, the interactive eBook presents the complete Student Edition with additional interactive content to enhance and extend student learning.

Instructional Purpose:
- Offline and Web Versions: Available via *IMPACT* Online and the ReadAnywhere app
- Take Notes: Sync online and offline eBook content with highlights, notes, and placemarks.
- Comprehensive and rigorous: Full coverage of the standards and H-SS framework.
- Use it like a book: Answer questions in a different format (electronic or handwritten)
- Audio Support: Text-to-Speech audio read available

English only (6–12)

INQUIRY JOURNAL PDFs

Found at the chapter level, the Inquiry Journal provides primary sources and inquiry tools to help students further explore the Essential Question.

Instructional Purpose:
- Students can download, enter their answers directly in the PDF, and then upload to return to the teacher
- Teachers can print individual pages or full chapters for students that need a replacement for the print book
- Offline and Web Versions: students and teachers can download individual chapters

English (6–12) and Spanish (6–8)
