ACCESSING YOUR eBOOKS

Both you and your students can launch your eBooks from the chapter and lesson landing pages. You will have several formats to choose from, allowing you flexibility and choice around which type of eBook you prefer for you and your students.

FIND THE eBOOKS

From the Table of Contents, select the chapter or lesson you want to open and click directly on the chapter or lesson title.

Then, browse the eBook options and select the version you'd like to use.

On the Chapter Landing page, choose from the following:

1. Interactive Student eBook
2. PDF Student eBook
3. PDF Teacher Edition eBook
4. PDF Inquiry Journal eBook

NOTE: You will find the Inquiry Journals ONLY on the Chapter Landing page.
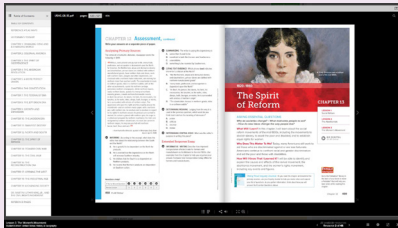

☑ You have found the eBooks!

ASSIGN AN eBOOK

Assign an eBook by clicking on the Action Menu ⋮ on the tile, and selecting **Quick Assign.**

☑ You have assigned a student eBook!

HOW ARE THE eBOOKS DIFFERENT?

PDF eBOOK

Found at the chapter and lesson level, this eBook mirrors the print layout, with a 2-page spread, whose pages "flip" to the next spread upon click.

Instructional Purpose:
- This is a static, electronic version of the print Student Edition
- Comprehensive and rigorous: Complete coverage of the standards and H-SS framework.
- Reference: Teachers can use for planning and students can use for reference
- Use it like a book: Answer questions in a different format (electronic or handwritten)

*English (6-12) and Spanish (6-8)*
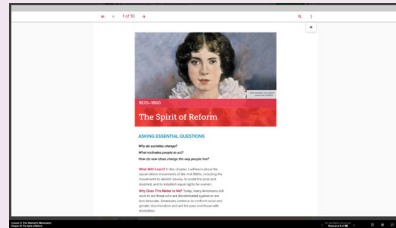

INTERACTIVE eBOOK

Found at the chapter and lesson level, the interactive eBook presents the complete Student Edition with additional interactive content to enhance and extend student learning.

Instructional Purpose:
- Offline and Web Versions: Available via IMPACT Online and the ReadAnywhere app
- Take Notes: Sync online and offline eBook content with highlights, notes, and placemarks.
- Comprehensive and rigorous: Full coverage of the standards and H-SS framework.
- Use it like a book: Answer questions in a different format (electronic or handwritten)
- Audio Support: Text-to-Speech audio read available

English only (6-12)
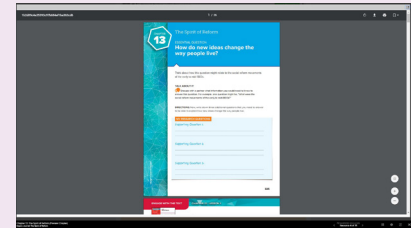

INQUIRY JOURNAL PDFs

Found at the chapter level, the Inquiry Journal provides primary sources and inquiry tools to help students further explore the Essential Question.

Instructional Purpose:
- Offline and Web Versions: students and teachers can download individual chapters
- Teachers can print individual pages or full chapters for students that need a replacement for the print book

English (6-11) and Spanish (6-8) Coming for Grade 12 in Fall 2018

VIEW THE eBOOK AS A STUDENT

- Log into IMPACT Online as a student in the class.

    TIP: You can access student log-in information. Go to **Students** in the Main Menu [≡ McGraw Hill Education]. Click on the gear icon for a specific student and select **Print Student Flyer**. The pop-up window will give you the credentials for that student's account.

- Follow the steps above to browse to a chapter or lesson landing page.

IMPACT™
CALIFORNIA SOCIAL STUDIES

ASSESSMENTS

The IMPACT Online assessment engine is a robust, tech-enhanced tool that enables you to easily create, customize, and assign your own tests. Choose from a variety of question types, including those that align to Smarter Balanced assessment question types.

AVAILABLE ASSESSMENT TYPES:

There a many types of assessments available in IMPACT Online:
- Entry Tests
- Lesson Quizzes
- Traditional Chapter Tests
- Document-Based Chapter Tests

AVAILABLE TECH-ENHANCED QUESTIONS:

Choose from a variety of question types:
- Drag and drop
- Short response
- Evidence-based selected response
- Performance tasks
- Matching, and more

FIND AN ASSESSMENT

- From your course, go to the Main Menu ≡ 🟥, go to **Tests and Quizzes**.
- Select **My Test Library** tab
- Hover over the **My Tests** button, scroll through list and select grade level/chapter
- To assign the test, either hover over the gear icon ⚙ at the end of the row and select Assign to Class –OR– click on the title of the test, select the Assign to Class button at top of page

☑ You've successfully found pre-built assessments for that course and chapter!

ASSIGN AN ASSESSMENT

- Easily assign a pre-built test! Hover over the gear icon ⚙ for the test that you want to assign. Click **Assign to Class**.
- Follow the steps to finish assigning the test.

☑ You've assigned the test to the class!

Title	Subject	Grd.	Created ↓	Owner

McGraw Hill Education

ASSIGNMENTS

Approachable and easy-to-use, assignments provide a simple and convenient way for you to assign, complete, and grade assignments.

## CREATE AN ASSIGNMENT:

There are two ways to create an assignment.

OPTION 1

Go to the course Main Menu ☰ , and go to **Assignments**. This is where you go to view a list of all assignments. Select what kind of assignment you would like to create, then follow the prompts to finish creating the assignment.

NOTE: This option works best for assigning PDFs and word documents.

OPTION 2

- From the chapter or lesson planning page, choose a learning resource to assign.

- Scroll down the page to notice the variety of resources available to, including:

  > Chapter/lesson activities, projects, and worksheets (PDF/Word)

  > Chapter/lesson review activities (Interactive or PDF/word)

  > Interactive Student Resources

  > Differentiation Resources

- From the Action Menu ⋮ of the resource, select **Quick Assign**. Enter the assignment details.
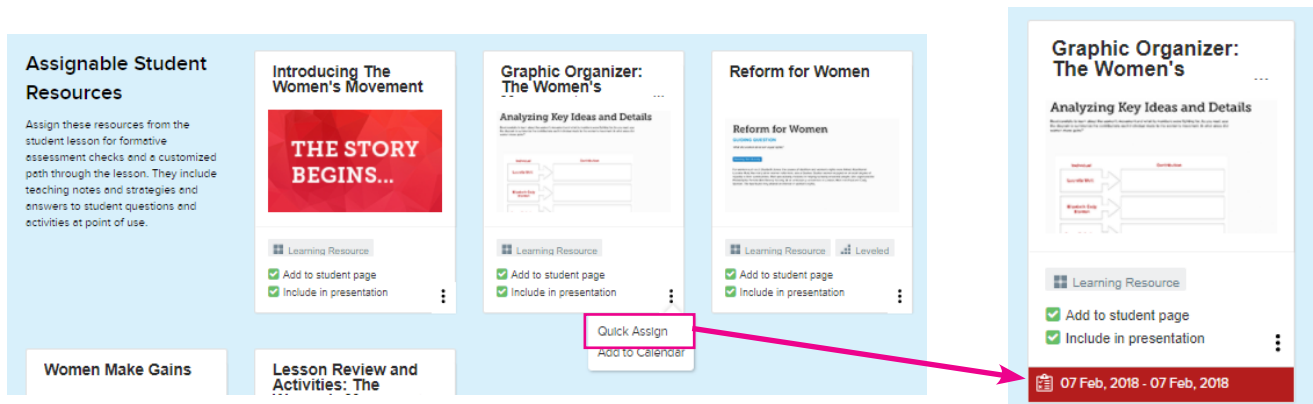

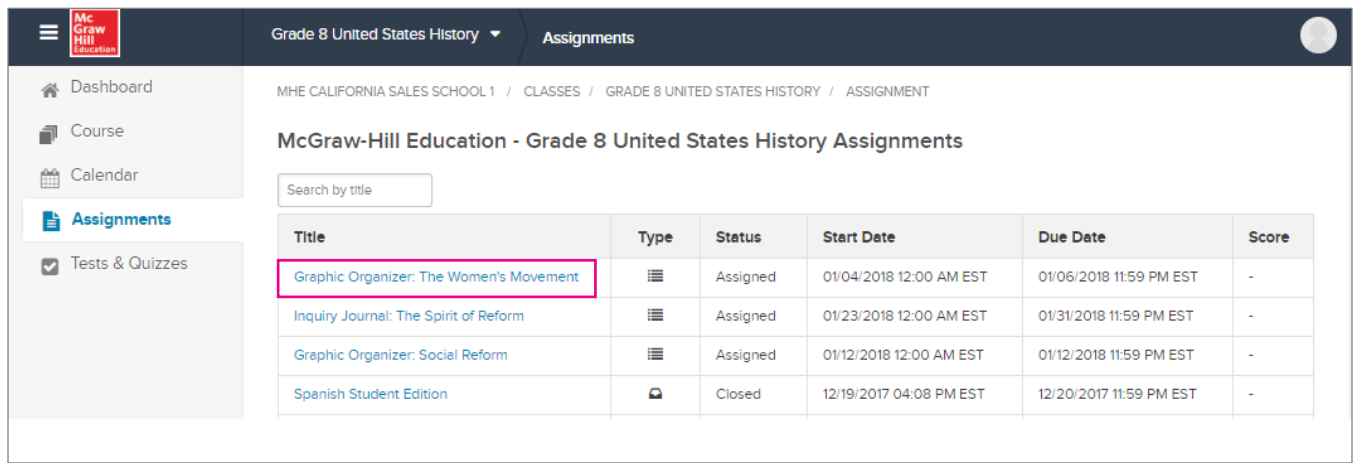

☑ You've created an assignment!

HOW DO STUDENTS SUBMIT AN ASSIGNMENT?

- Log into IMPACT Online as a student in the class with an assignment.

  TIP: You can access student log-in information. Go to Students in the Main Menu. Click on the gear icon for a specific student and select Print Student Flyer. The pop-up window will give you the credentials for that student's account.

- In the class, click on **Assignments** in the Main Menu

- Click on the title of the assignment to begin, then submit as directed.

STUDENT VIEW:

☑ You've completed an assignment as a student!

CREATE CUSTOMIZED TEACHER PRESENTATIONS

Teacher presentations are pre-built for you and can be easily customized. With the IMPACT Online presentation player, you can choose what learning resources to display, what order to put them in, and how to talk about them with your classes. The customizable teacher presentations enables you to build a solution that works for you and your students.

HOW TO START A PRESENTATION

From the top of the chapter or lesson landing page, simply click on "Launch Presentation" button to start your presentation.

NOTE: There is a default presentation that you can use —OR— you can customize your own presentation.
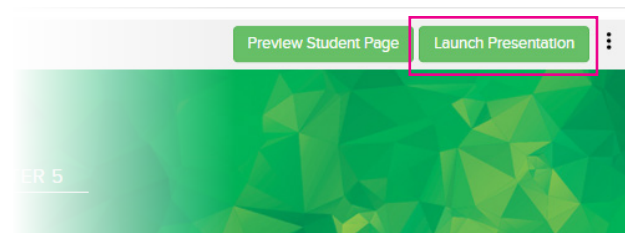

☑ You have successfully found and opened the IMPACT Online Presentation Player!

## HOW TO CUSTOMIZE A PRESENTATION

You can customize your presentation from the player itself. Click on the matrix menu ▦ on the bottom right of the screen to preview a carousel of the resources included in the lesson presentation.
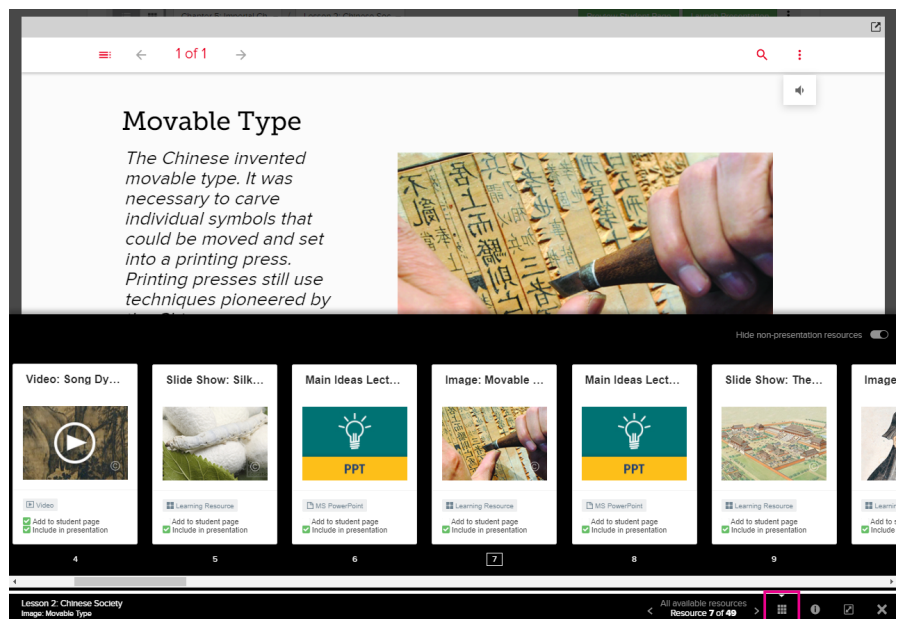

- To preview a resource, click on it, then click the matrix menu ⊞ to see the preview. Notice the variety of resource types, including videos, images, interactive graphic organizers, and more!

- To reorder a resource: simply drag and drop the item to a new position in the presentation.
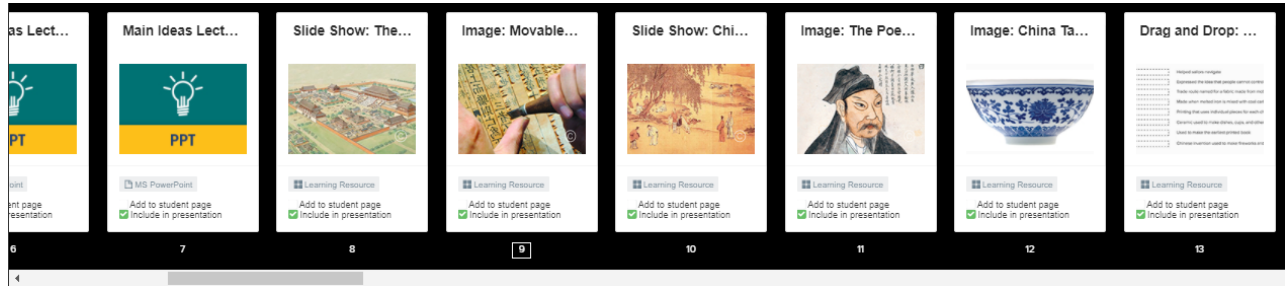

- To remove a resource: Uncheck the "Include in presentation" box on the resource tile.
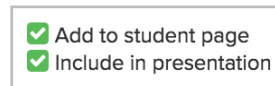

Have your own resources to include in the presentation? Add them!

Close out of the presentation player (in the bottom-right of the screen). Then, scroll down the lesson planning page to locate the **Teacher-added Resources** tile. Upload your favorite resources!

Once uploaded, the resource will automatically appear in the presentation carousel, and you can include it in your presentation.

☑ You have successfully customized a presentation in IMPACT Online!
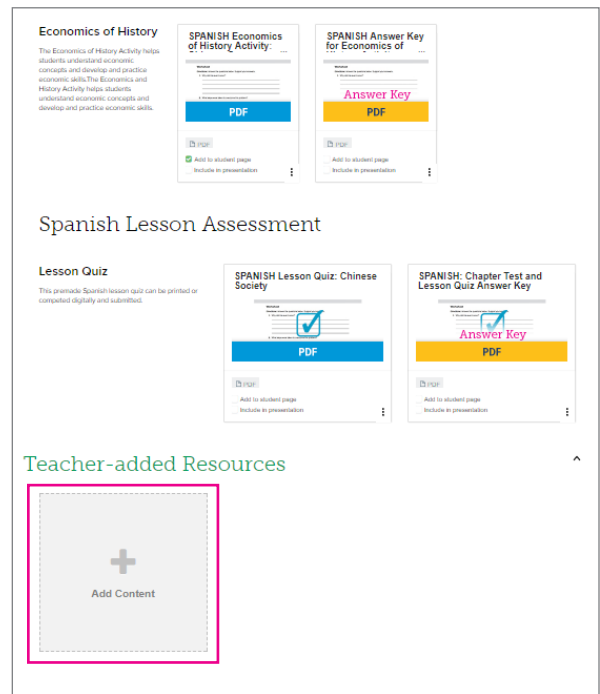

ADD YOUR NOTES HERE:

GOOGLE EXPEDITION ACTIVITIES

Google Expedition activities provide immersive, engaging activities for a class. With recommended Expeditions, aligned to content, you can be confident that the activities are relevant to the content they are teaching.

FIND THE EXPEDITIONS

Go the class Main Menu ≡ [Mc Graw Hill Education], and select **Course** to see the Table of Contents. From the Table of Contents, scroll down and find **Reference Material: Program-Level Resource**s and click directly on the arrow.

Then, click on **Reference Material: Beyond the Classroom**.

☑ You have found the Google Expeditions activities!

ASSIGN AN EXPEDITION

The IMPACT lesson includes a chart of related Expeditions to choose from, as well as activities to use Before, During, and After an expedition. Click on the tile to preview the activity.

Assign an activity by clicking on the Action Menu ⋮ on the tile, and selecting **Quick Assign**.

☑ You have assigned a Google Expedition activity!
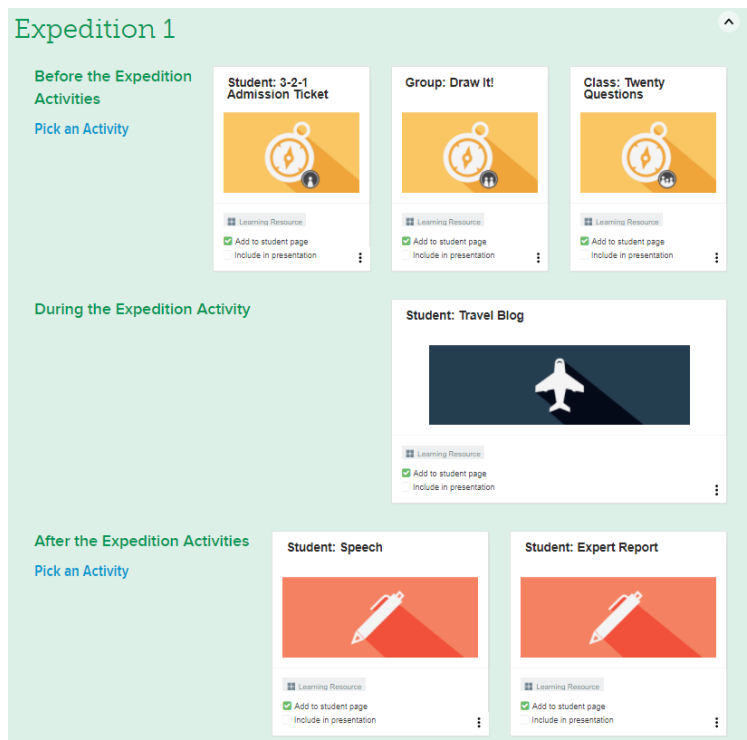

VIEW THE ACTIVITY AS A STUDENT

- Log into IMPACT Online as a student in the class with an assignment.

  TIP:: You can access student log-in information through the Student option on the Main Menu.

- In the class, click on **Assignments** in the Main Menu ☰ Mc Graw Hill Education

- Click on the title of the Google Expedition assignment to begin.

USING YOUR GOOGLE DRIVE OR BOX ACCOUNT

Teacher accounts can be linked with Google and Box accounts. This makes it easy for you to use resources you have saved in Google Drive or Box.

SET-UP

- Log-in to your MHE account.
- The upper navigation bar is always visible when you are online. Click on your profile picture in the upper right corner. Then, click **Manage Account**.

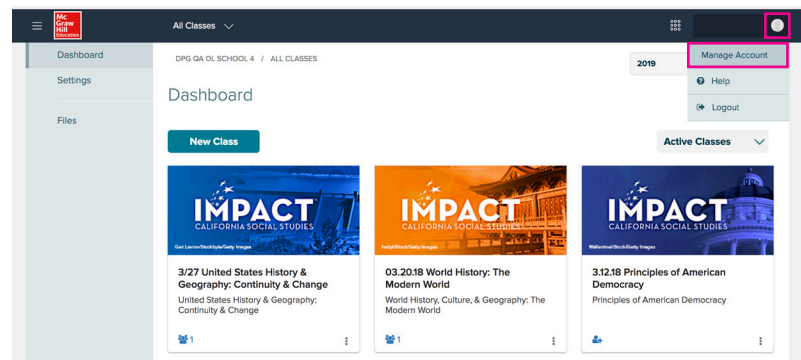

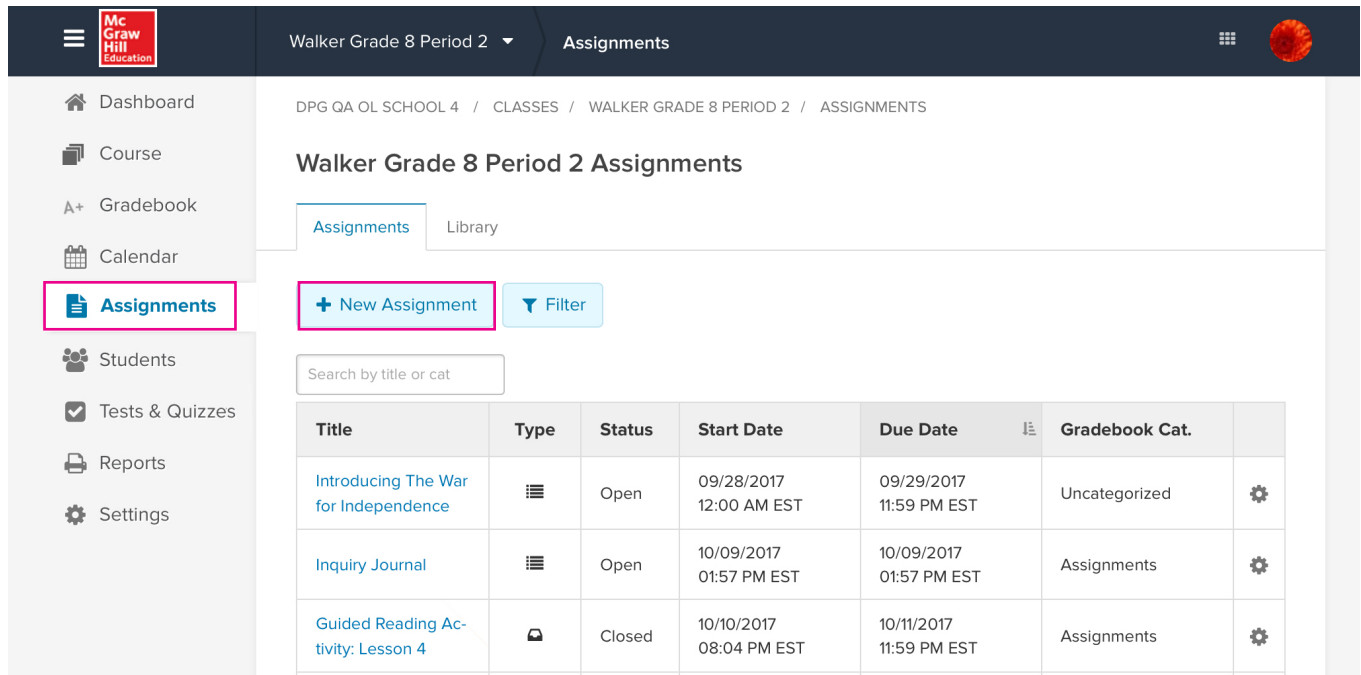

LINKING TO GOOGLE OR BOX

On the account management page, you will see options to link your my.mheducation.com account to your Google and/or Box accounts.

- Clicking on either **Link to Google** or **Link to Box** will open a prompt requesting access from that account. Once you add those account credentials and click ok, your accounts will be linked.
- You can unlink that account at any time.
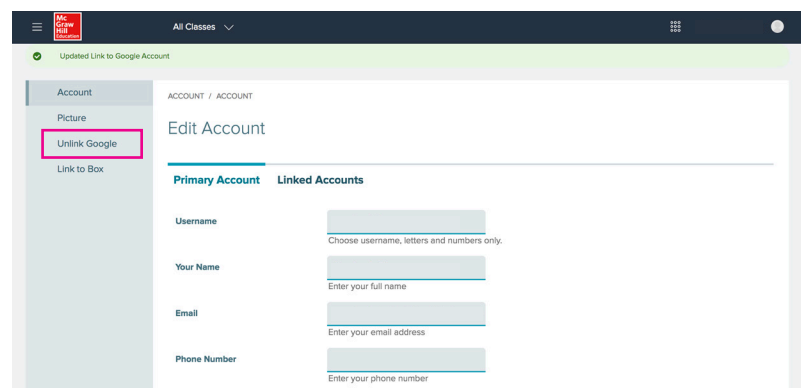

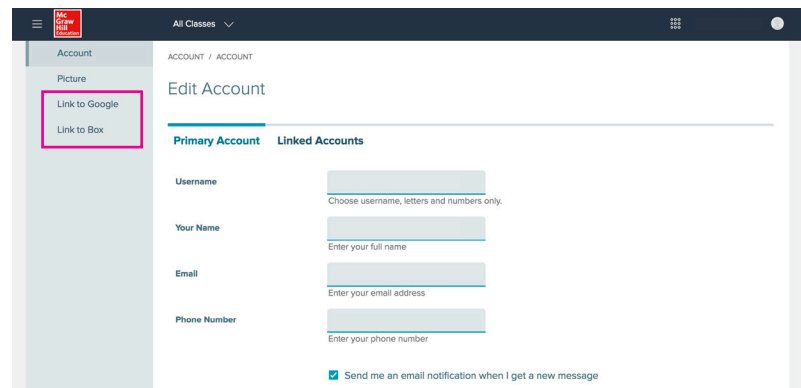

USING RESOURCES FROM GOOGLE OR BOX

- Click on **Assignments** from the Main Menu ☰ ▢ , and click the **New Assignment** button.

- Select either **Instructions** or **Submission.**

☑ You have successfully linked your Google or Box Account and used it to make an assignment!

NOTE: Additional integrations with Google Classroom are coming in future iterations of CA Impact Social Studies!

ADD YOUR NOTES HERE:

EXPLORING YOUR GRADEBOOK

The Gradebook features are designed to give you easy access to student results and include a variety of views into student work in order to allow you to target instruction or assessment where needed.

LAUNCHING GRADEBOOK

Expand the Main Menu ☰ and select Gradebook.

OVERVIEW

1. Students are listed in alphabetical order by last name.

2. Their overall class grade presents next to their name.

3. Use the scroll bar to move right and see all student work.

4. Click on an assignment title to see the scores for that assignment or to finish grading an assignment.

   NOTE: You are in the Assignments tab now. To go back to Gradebook, hit your browser's "Back" button, or select Gradebook.

STUDENT GROUPS

You may also view student work by grouping. You may organize students into groups of your choosing, and revise as needed throughout the year. To view work by group, select the **Group** button, and then the group you'd like to see.

PREVIEW LEARNSMART® WITH SMARTBOOK®

LearnSmart® presents an adaptive ebook called SmartBook that helps maximize student study time by highlighting only the most impactful concepts the student needs to learn. This ensure that every minute spends with SmartBook is as productive as possible. Smartbook is available with IMPACT for grades 6-12.

FIND SMARTBOOK

From the Chapter Planning Page, under the Student Editions section, find **Adaptive Learning Smartbook**.

ASSIGN SMARTBOOK

Click on the Action Menu ⋮ on the tile, and select **Quick Assign**.

☑ You have successfully found and assigned SmartBook!

EXPERIENCE SMARTBOOK

• Click on the tile to access the SmartBook content for the Chapter

• You will be taken to the **READ** Phase. In READ phase, the content that the student needs to learn for the practice exercises is in regular type. Extra information is grayed out. Specific sections of content that are most important and are directly assessed are highlighted.

• Click on the Practice button on the bottom left to preview the **PRACTICE** phase.

In PRACTICE phase, students answer questions about the content they have read, as well as rank how confident they are in their answers. They can click on **Read about this** to return to the book for more information on the topic.

The Second Great Awakening can best be described as a time of

Click the answer you think is right.

important discoveries in medicine.

renewed focus on religion.

extreme nationalism.

great advances in manufacturing.

Do you know the answer?

Read about this

I know it   Think so   Unsure   No idea

REVIEW REPORTS IN SMARTBOOK

From within SmartBook, go to the Main Menu and click on **Reports**. There are a variety of reports that track progress for individual students and the class as a whole.

Help

Current Learning Status >
View how much you have left to learn and how much you should refresh so that you don't forget your new knowledge.

Topic Scores >
View the modules and sections you struggled with the most. You can look up each challenging section for more study.

Missed Questions >
View frequently missed questions. You can practice questions you recently got wrong.

Most Challenging Learning Objectives >
View the learning objectives that are the hardest for you. You can look these up in your book in order to study them further.

Self-Assessment >
View how aware you were of whether or not you knew the answers. This awareness can help you study more effectively.

Tree of Knowledge >
Watch your tree grow as you learn.

ADD YOUR NOTES HERE:

LOGGING IN AS A STUDENT

The student experience is designed to be very similar to that of the teacher.

LOGGING IN

Students will log in with their username and password.

STUDENT DASHBOARD

Students will see a dashboard with the courses that have been assigned to them. Students may launch the course from the dashboard by clicking on the title tile.
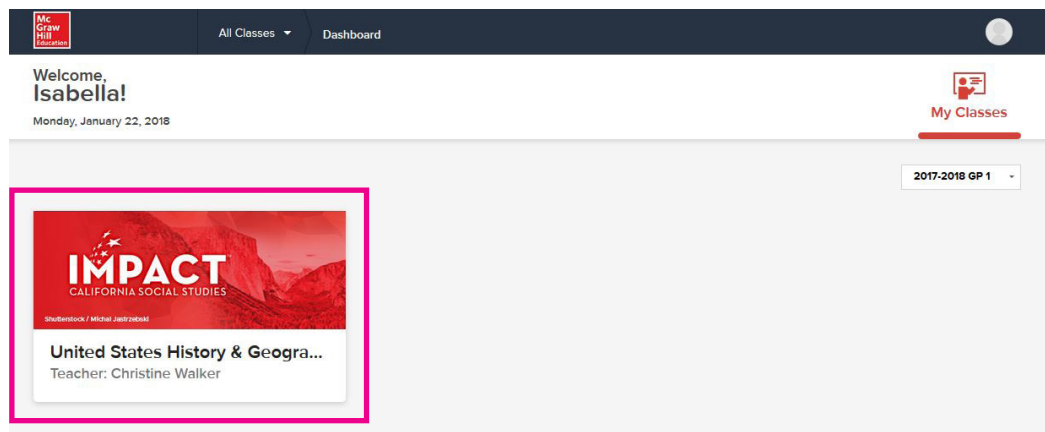

Once within a course, students will see a simpler view of the overall course navigation. Clicking on the title tile launches the course table of contents.

IMPACT: California Social Studies
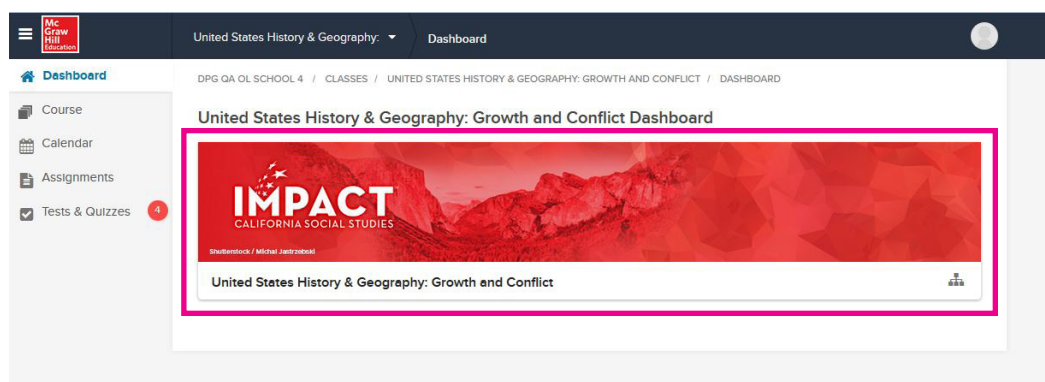

From the Table of Contents, students may select the chapter or lesson they want to open.

The student will see resources intended for them. They will see either the resources identified by McGraw-Hill Education as suitable for that chapter or lesson, or they will see the resources selected by their teacher, if the teacher did any customization.

WOW RESOURCES!

IMPACT Online is full of fun, interactive assets that help reinforce learning, expand on concepts to aid deeper understanding, or illustrate a concept with a different approach to aid comprehension.

FIND RESOURCES ON THE CHAPTER PLANNING PAGE

As you go through the chapter planning page, be sure to look out for these resources!

> **LearnSmart®:** A student eBook that uses proven adaptive technology to deliver targeted, individualized instruction.

   Go to Student Editions > Adaptive Learning

> **Place & Time:** Includes an interactive timeline and interactive map to anchor students in the time and place of the narrative.

   Go to ePresentation Resources > Teach: Place & Time

> **Hands-on and Digital Chapter Projects:** Deepen students' critical thinking and problem solving skills.

   Go to Chapter Activities, Projects, and Worksheets > Project Based Learning

> **Language Learners Teaching Guide:** Provides additional language development lessons that teachers can use to support any level of English learners. Techniques in the guide include Spanish cognates, accessing prior knowledge, sentence builders, and building content and academic vocabulary.

   Go to Differentiation Resources > English Language Development

> **Professional Learning:** Includes expert videos from thoughts leaders in the field, and classroom videos demonstrating high interest topics in the context of the classroom.

   Go to Professional Learning

IMPACT: California Social Studies

TASK CARD
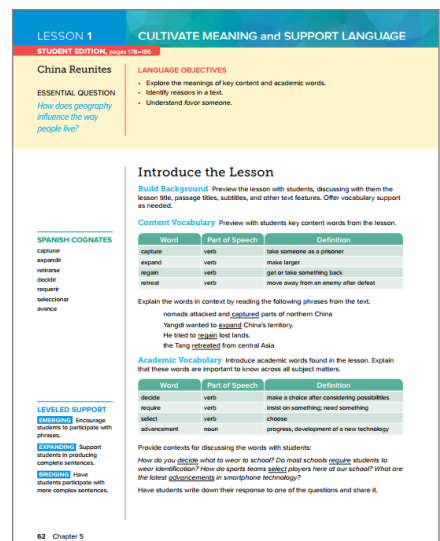

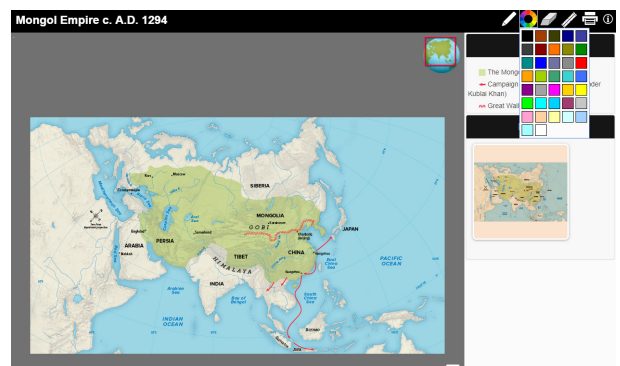

SEARCH THE RESOURCE LIBRARY

Looking for a specific type of resource? Search our rich resource library to find standards-aligned content. Then, take an action with it!

At the top of the chapter landing page, click on **Resources**.
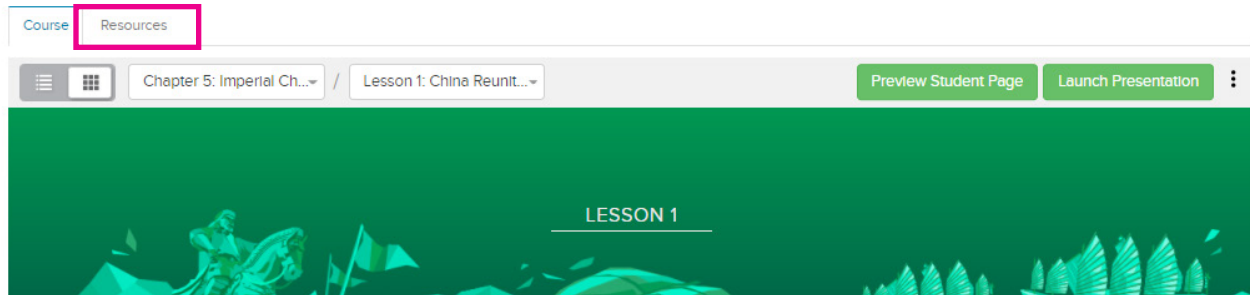

On the left-hand side, enter a keyword and/or select options to filter the content. From the Action Menu ⋮ you can preview the resource, add it to your calendar, or assign it!
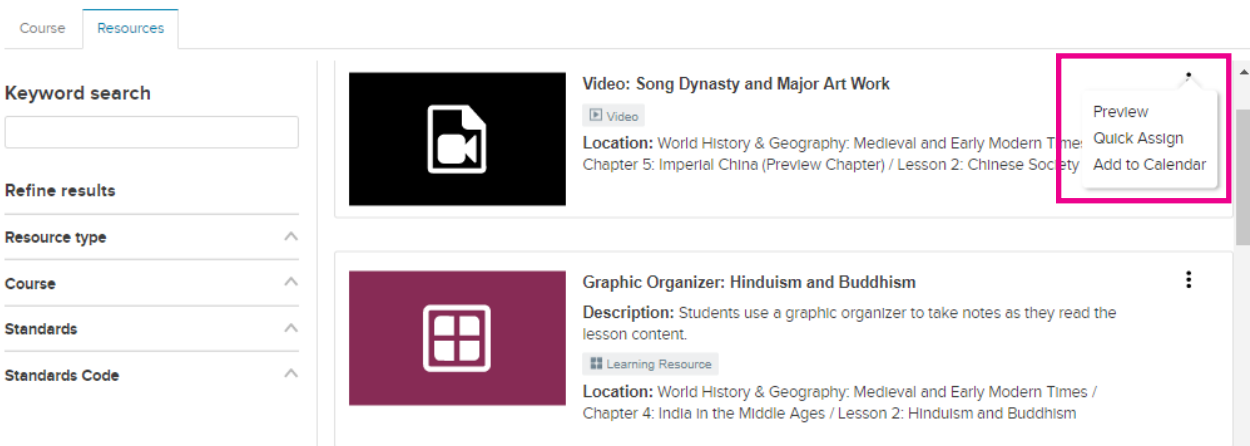

☑ You have successfully found resource and taken an action with it!
