

School-Home Letter

Dear Family,

My class started Chapter 4 this week. In this chapter, I will learn about subtraction strategies and how to solve subtraction word problems.

Love, _____

Vocabulary

count back a way to subtract by counting back from the larger number

$$8 - 1 = 7$$

Start at 8.

Count back 1.

You are on 7.

Home Activity

Have your child practice counting from 1 to 8 and then from 8 to 1. Display numbers 1–8 on a piece of poster board or notebook paper. Each day, work with your child to solve simple subtraction problems by counting back 1, 2, or 3 using the list of numbers.

$$8 - 2 = 6$$

Literature

Look for these books in a library. Reading them together will reinforce your child's learning.

Carta para la casa

Querida familia:

Mi clase comenzó hoy el Capítulo 4. En este capítulo, aprenderé estrategias de resta y a resolver problemas de resta en palabras.

Con cariño, _____

Vocabulario

contar hacia atrás un modo de restar contando hacia atrás de un número mayor

$$8 - 1 = 7$$

Comienza en 8.

Cuenta hacia atrás 1.

Quedas en 7.

Actividad para la casa

Pida a su hijo que cuente de 1 a 8 y de 8 a 1. Muestre los números de 1 a 8 en una cartulina o una hoja de cuaderno. Cada día, practique con su hijo resolver problemas simples de resta contando hacia atrás 1, 2 ó 3, en la lista de los números anotados.

$$8 - 2 = 6$$

$$\begin{array}{r} 11 \\ - 7 \\ \hline \end{array}$$

4.
$$\begin{array}{r} 13 \\ - 4 \\ \hline ? \end{array}$$

Think

$$\begin{array}{r} 4 \\ + \square \\ \hline 13 \end{array}$$
